Torremolinos 1975, El Roqueo opened its doors. On the coastline in a small village called la Carihuela, El Roqueo quickly grew into one of the most famous fish restaurants in southern of Spain, Regularly various famous guests such as Julio Iglesias and Antonio Banderas liked to enjoy a lunch and a fine glass of wine. When El Roqueo was taken over, the new owners could not maintain the prestige and reputation of the restaurant. After a period of 2 motionless years, the restaurant was bought by a Dutch couple who had already won their spurs in the restaurant business at la Carihuela. Stef and Miranda converted, the restaurant from the ground up to a fantastic Grand Cafe with a new name "The Launch" with a unique appearance and formula. After almost 10 years, It was time for Stef and Miranda to slow it down a bit. And The Launch has been taken over, the new owner decided to remodel The Launch with a new look, but maintaining the formula and hospitality you are used from us. As of January 1st 2020 Nol and Priscilla will welcome you in our, but above all your Launch.
